

FRIDAY FLYER

Friday 26th June 2015

Headteacher's Message

This week I would like to encourage as many parents and carers to get involved with our forthcoming Summer Fair.

I appreciate many of you will have already donated items today for which I am very grateful. In order to make our Summer Fair a really successful community event, we really need more parents to give some of their time. 1 hour from more parents would make such a difference. It is not too late to 'do your bit'.

There are many ways you could help. To find out more, please speak to any of the Helping Hands or the Office. Working together we are a stronger school.

Have a happy weekend

Ms Karen Khwaja

Great News!

We are very proud and pleased to announce that Garfield Primary has achieved a Bronze award from the Eco Schools Board for their hard work in sustaining the environment with a lot of hard work from the children and staff dedicated to the eco way of living and thinking.

PHONICS

Last week, year one pupils took part in the Phonic Screening Check. All pupils were given the opportunity to read some real words and also some alien words with their class teacher. They had all been practising very hard both in school and at home. We were all so impressed by the end result! The children read lots of tricky words successfully and really tried their best. Well done to the year one teachers and staff, the pupils in year one and to all the parents and carers for their support!

Uniform Update

The colour of our new sweatshirt is now decided! It will be a lovely smart navy colour (and is a different colour from our current uniform). We are working hard to get them available very shortly. The new uniform will also consist of a white polo shirt, black trousers, skirt or pinafore, black shoes and black or white socks or tights. Fuller details will be sent out soon.

REMINDER

Please note that that the school day begins promptly at **8.50am** so please ensure to arrive to school before this time to avoid signing in late.

A good improvement on lates this week, however this needs to be much better. Let's work harder as a school to lower the number of lates.

Well done to 4J and 6C for the improvement they have made.

Keep it up!
