

# School Council Notes

Friday 28<sup>th</sup> April 2017

Today the school council were privileged to have a visit from Hannah Cresswell from Helping Hands to discuss this year's summer fair. Hannah explained how Helping Hands helps our school and discussed the ideas they have had for a theme for the summer fair.

The school council discussed what themes they liked and even came up with some new ideas. They then voted for their favourite theme - they chose a beach theme!
