

Garfield Primary
Today's children, tomorrow's future.

Dear Parent or Carer,

Out of Hours Clubs – Spring Term 2019

At Garfield, we are very proud of the out of hours clubs we run every term. This term, we are able to maintain a good range of clubs, with 16 different clubs available to our pupils. Around half of these are still free, although we have introduced a small charge for some clubs, as the school is no longer able to subsidise all the clubs that we provide.

On the next page are the details of all the clubs run by school staff and outside providers such as Le Club Francais and Soto Street Dance.

Selection of children for clubs

Children are chosen to take part in a club in three different ways:

1. **Selected children** - The school selects the children they feel would benefit most from the club and sends a letter to ask for parental permission.
2. **Open to all**- All parents receive a letter offering them a chance to apply for a place in the club. Children are selected giving priority to those children who have not attended a club before and a confirmation letter is sent. If the club is over-subscribed, it may be run more than one time for a 5/6 week block, so different children can have a chance to take part.
3. **Sports squad**- In some sports clubs, a squad is selected to train for competitive games/tournaments against other schools.

You should have received letters outlining how to apply for one or more of these clubs. However, if you wish your child to attend one of these clubs and you have not received the letter, please contact the office.
