

## English

We would like you to watch the short film 'Alma'.

<https://www.literacyshed.com/alma.html>

There is no speech or narration so can you tell the story yourself? You could involve other members of your family too—what suggestions do they have? What has happened to Alma? What do you think happens next?

Reading comprehension tasks are posted weekly on google classroom.

## Maths

Although SATs will not now take place, we will continue to revise basic skills. This will include:

- The four operations
- Word problems
- BODMAS

Maths tasks are posted daily on google classroom so make sure you log on and submit them when you have completed them.

## Science

Our science topic is **Classification of living things**. We will revise the work you have already done on this in previous years before moving on to learn about Carl Linnaeus and how he developed the method we use today of classifying living things. Work on science in google classroom will include revision of the topics we have already studied in year 6.

Garfield Primary School

## Topic

For the summer term we will be studying the Ancient Maya, a civilisation which thrived about four thousand years ago. Can you find out where their cities were built and what daily life there was like? Can you see where the Maya fit into history by creating a timeline? Can you discover that they had a writing and a number system and have a go at drawing some? Can you compare how the lives of the Maya were similar and different to our lives today?

We will be posting tasks weekly on google classroom so make sure you log in daily. There are lots of clips on the BBC to support your learning :

## Garfield Primary School

### Curriculum Newsletter

#### **Year 6 Summer 1**

#### **How does modern life compare with that of the Ancient Mayans?**

**PE:** try to do some physical exercise every day—you can go for a walk in the fresh air or, if you can, follow the Joe Wicks PE sessions online.

**Homework:** all pupils have a gmail account to log onto google classroom if they have an available device. Work is provided daily.

## Suggested books to read

There is a huge variety of free books available to listen to on **audible**. Use the link below. You could try:

**Harry Potter and the Philosopher's Stone**

**Green Ember**

**Anne of Green Gables**

There are so many to choose from!

<https://stories.audible.com/discovery>

## RE

Can you find out about how Sikhs work with their community? Providing food for those in need is a major part of this. How could they continue to do this during this difficult time?

## PSHE

During this time we all need to be kind to each other. What small act can you do each day to help someone out?

## French (KS2 only)

Our focus this term is My family (Ma famille)
