Dear Parents/Carers,

COMMUNITY COVID19 TESTING CENTRES

We are writing to ask you to support your school and to help keep it as safe as possible. Enfield Council has set up community testing stations across the borough at the six venues listed below. These are open for Rapid Testing which can be used by parents/carers and their children who don't have any symptoms – around 1 in 3 people with Covid-19 don't have any symptoms but can still pass it on.

The borough-wide rapid testing, also known as lateral flow testing, will offer on-the-spot testing without the need to book an appointment. You will receive your results on the same day, usually within 30 minutes.

The lateral flow testing sites are situated at:

- Brigadier Hall, Cedar Road, EN2 0NL
- Green Towers Community Centre, Plevna Road, Edmonton, N9 0TE
- John Wilkes House, 79 High St, Ponders End, EN3 4EN
- Kempe Hall, Kempe Road, EN1 4QS
- Klinger Hall, Copperfield Mews, N18 1PF (access from Silver Street)
- Southgate Library, High Street, Southgate, N14 6BP

Opening times are 9am to 6pm. Anyone who tests positive for coronavirus will be referred for a follow-up test to confirm the result.

By getting your child tested if possible before they come to school, it will really help keep schools safer than they already are. If your child attends secondary school, or secondary special school or specialist provision, this will really support your own school as it sets up its own testing systems.

Tony Theodoulou
Executive Director People
Enfield Council
Civic Centre, Silver Street

 If you need this document in another language or format contact the service using the details above.

Further information on an additional testing sites can be found on the Enfield Council website. We hope to have more community testing sites in the near future.

Please help us and your schools, keep Enfield as safe as possible from the COVID19 virus.

Yours sincerely,

Stuart Lines
Director of Public Health
