

**Garfield Primary**  
Today's children, tomorrow's future.

27<sup>th</sup> January 2021

Dear Parents and Carers

**IN-SCHOOL PROVISION DURING SCHOOL CLOSURE DUE TO CORONAVIRUS**

I am writing to remind you of our Inset day and the half term holidays.

Our Inset day is on Friday, 12<sup>th</sup> February and the school will be closed to pupils. This is a planned Inset day you were advised of in the Autumn term 2020.

The government advice is that schools will close as usual over February half term and are not expected to remain open to vulnerable children and the children of critical workers during that week and lunch vouchers do not need to be provided. Garfield will be closed for half term from 15<sup>th</sup>-19<sup>th</sup> February, so that staff can have a much needed rest.

We do not know when schools will fully re-open. If you continue to need the in-school provision after half term, please let the school office know. We would also appreciate knowing if you no longer need the provision, so that your child's space can be offered to other pupils.

Thank you for your continued support.

Yours sincerely

Karen Khwaja  
**Headteacher**
