Dear Parents & Carers

Garfield School re-opening to all pupils on March 8th 2021

Following Boris Johnson's announcement yesterday evening, I can confirm that we will be opening to all pupils on Monday, 8th March.

We have been preparing for this already and are really looking forward to welcoming all our wonderful pupils back. We have really missed you.

We will be continuing with all the routines and organisation that we put in place for our September opening (much of this is on our website). These worked very well and all had the safety of our pupils, staff and parents at the heart of everything we do.

I appreciate that some of these routines and timings may now be forgotten, so please be assured that over the next week, you will be sent out all the key information again.

It is important that we manage this transition back into school effectively and to do this, it is important we work in close partnership with you.

Looking forward to welcoming you back on March 8th.

Yours sincerely

Karen Khwaja
