

**Garfield Primary**  
Today's children, tomorrow's future.

22<sup>nd</sup> September 2022

Dear Parent/Carers,

It is once again time to celebrate our Garfield Harvest Festival. It has been our tradition to show we can share and care about our community by giving gifts of food in our local area. These gifts have always been gratefully received and provide a special treat showing that the children of Garfield are thinking about them at Harvest Time. All the food collected will be re-distributed to families at Garfield .

We hope that when you go shopping you will choose a few extra items for your child to bring to school from next week. Tins, packets, jars and dried food are always good choices, **no fresh products.**

From Monday 26<sup>th</sup> September we will have collection boxes for items donated at both gates. Please give as generously as you can. **On Friday 30<sup>th</sup> September at 9.15am** we will have a whole school assembly to celebrate Harvest where the food contributions will be on display, parent are welcome to attend.

Thank you for your continued support.

Yours sincerely
