

Garfield Primary
Today's children, tomorrow's future.

12th September 2022

Dear Parents/Carers.

Minecraft Education for Year 6 on Thursdays

We will be starting a Minecraft club on Thursdays for Year 6. Minecraft Education Edition is a version of Minecraft designed for education in a classroom setting. A game-based learning platform that promotes creativity, collaboration, and problem-solving in an immersive digital environment.

The club will run for 10 weeks starting on **Thursday 22nd September until Thursday 1st December**. The club will start **at 3.15pm and finish at 4.15pm**.

If your child is interested in attending, please complete and return the attached permission slip to the school office by Friday 16th September. We have 10 spaces available.

There will be a charge of £6 a week £60 for the term. This can be paid in two instalments of £30 (one by the 21st September & one by the 2nd November) or you can pay £60 in one go. There will be no refunds issued once payment has been paid. This money should be paid through your Parentpay account. Failure to do so will result in your child not being able to attend the club.

We will notify you by text, confirmation your child has a place in the Minecraft club and will then add it to your Parentpay account.

Yours sincerely

David Newson
