

English

The focus for English this half term is writing a non chronological report on animals. We will be understanding technical vocabulary, researching facts and typing up our report on the Chromebooks.

We will also be looking at poetry and looking at different types of poetry to write our own at the end of the term.

Maths

Children will be learning and looking at money by adding, subtracting and working out change.

We will also be looking at telling the time, in roman numerals, analogue and digital.

Finally we will be working with shape and measuring angles.

Science

This half term we will be completing lots of scientific investigations some including:

Are all metals magnetic?

Can you make magnets stronger?

How can magnets navigate us?

Garfield Primary School

History

Still focusing on Ancient Greece, we will be looking at Alexander the Great. We will be learning about his life, his role in that period and understanding why he is famous.

Garfield Primary School

Curriculum Newsletter

Year 3 Summer 2

Enrichment: Trent Park Visit
