Headteacher's Message

Dear parents and carers,

The weeks are flying by and I am pleased to say that all the children have settled down really well and are working hard every day.

Thank you to all parents who came in for our *Meet the teacher* evenings. It was great to see you all and to have lots of communication between staff and parents - it's the key to good working relationships.

Next week, I will be visiting your children's writing lessons as writing is our whole school priority for the year ahead so please ask you child regularly what they are writing about in school.

I would like to apologise to Year 5 parents: Enfield have cancelled swimming once again next week. However, they assured us that children will not miss out and will have their allocated number of hours of swimming practice.

Wishing you all a great weekend,

David Joyce
Headteacher

We have a warm and friendly governing body and this role is a fantastic and rewarding opportunity for any parent.

Please nominate yourself by giving us your name and a brief outline of the reasons why you should be our next parent governor, by Monday.

An information pack about the role can be collected from the school office.

<https://www.enfieldhealthimmunisations.co.uk/Forms/Flu>

The unique code for the school is ENF101992

The vaccine is administered as a nasal spray and is completely pain free for your child.

EMERGENCY CONTACT DETAILS

Please contact the school office if any of your details (phone number, email address, home address or contact details of your emergency contact person) **change during the school year**.

It is important that all the information is up-to-date and that the school has the **correct email addresses and phone numbers** so we can contact parents in case of emergency.

NO PHONES AT HOME TIME

Please avoid using a phone when collecting your child from school.

Your child has so much to share about their day with you!

We will be putting some posters out to remind parents and carers about this.

A big improvement on the previous week's result. Those of you who were still away on holiday at the beginning of term are all back in school and settling in well. The first term of school is extremely important with regards to maintaining good attendance as poor attendance this early on will mean you will find it very difficult to bring your attendance figure back up and it will take much longer. Therefore, you would miss out on attendance celebrations and other incentives. Please ensure you support each other by coming to school every day and on time as the class with the best overall attendance each week will receive some lovely grapes on Monday morning. Well done to **Lavender** class for achieving a great 98.42%. Keep it up!!
